

LT

Tapybos darbų serija apie vieną trumpą laiką, taip vadinamą „rytų bloke“, kai 1991 metais, sugriuvus Sovietų sąjungai — pseudosocializmą pakeitė laukinis kapitalizmas.

EN

Series of paintings about one short time period in so called “Eastern bloc” while in 1991, Soviet Union found itself collapsed and pseudo-socialism was changed by wild capitalism.
