

On the river side, there is one tiny house.

One summer, flow of the river was extraordinarily strong.

There were so many butterflies that you could not see properly.

I nearly drowned, my uncle did drown.

My auntie was so sad and the dog did not leave the riverside and in the end he lost his mind.

Kadri Rohesaar

(b. 1988, Estonia)

Studies

2011-2015 Estonian academy of arts, bachelor of arts, printmaking
