Solitude - state of mind.

Biography

Madara Neikena has graduated from the Department of Painting of the Art Academy of Latvia in 2013 and has a master's degree in visual arts in 2015. Since 2010 she has participated in exhibitions, plainair's and residencies in Latvia and abroad.

Madara creates works in drawing and painting techniques - uses such materials as oil, acrylic, watercolour, charcoal, pencil.

She is interested in the presence of process. *It is of big importance for her to be face to face with the actual scenery. The sound, the smell, the touch of the air and facture of the surface around takes part in creating the work.*

She is interested in the landscape and the surrounding environment, rural and urban landscape the interaction between human and the nature. Painting on the canvas is the reflection of herself.
