**AŠ NEKENČIU TAPYTI PORTRETŲ**

Mano meilė prašo manęs nutapyti jos portretą, bet aš nekenčiu tapyti portretų. Portretas apie tapybą. Apie vaizdų manipuliaciją. Apie spalvų ir meilės laisvę. Tapyba apie vieną mirksnį. Ar gali nutapyti mano portretą? Ne.

**I HATE PAINTING PORTRAITS**

My love asks me to paint a portrait of her, but I hate to paint portraits. Portrait about painting. About image manipulation. About freedom of color and freedom of love. Painting about one blink. Can you paint my portrait? No.
